Abstract

State the problem in two or three sentences: what is unknown or unsolved, and why it matters. Note that this file is read as plain text (see abstract: read(...) in main.typ), so Typst markup and function calls are not evaluated here; switch to include(...) if you need them. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua.

Describe the approach: what was built, measured or analysed, and under which conditions. Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex ea commodo consequat. Duis aute irure dolor in reprehenderit in voluptate velit esse cillum dolore eu fugiat nulla pariatur.

Give the main results with numbers, and the conclusion a reader should take away even if they read nothing else. Excepteur sint occaecat cupidatat non proident, sunt in culpa qui officia deserunt mollit anim id est laborum.

1.1 Motivation

Explain what is missing in practice or in the literature. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. 1.2 Research Questions

State the research question and, if needed, its sub-questions. They give the later chapters a structure to answer against.

RQ Main research question placeholder?
SQ1 First sub-question placeholder?
SQ2 Second sub-question placeholder?

1.3 Structure of this Thesis

Chapter 2 introduces the concepts the thesis builds on, Chapter 3 reviews prior work, Chapter 4 describes the method, Chapter 5 the implementation, Chapter 6 presents the results, which Chapter 7 discusses, and Chapter 8 concludes.

2

Background

Introduce the concepts and technologies a reader needs to follow the rest of the thesis, and only those. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut postea variari voluptas distinguique possit, augeri amplificarique non possit. At.

2.1 Fundamental Concept

Cite sources with their key from `refs.bib`, for example [1], a book with a page [2, p. 42], or online documentation [3]. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut.

Acronyms are referenced the same way: the first use of Application Programming Interface (API) is expanded, later uses of API print only the short form, and Representational State Transfers (RESTs) gives the plural. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere.

Glossary terms such as Placeholder Term link to their definition in the glossary. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo,

cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere.

2.2 Interaction Model

Diagrams are kept in their own file next to the chapter, under `content/<chapter>/`, and pulled in with `#include`. Figure 1 is an example of a sequence diagram built with fletcher.

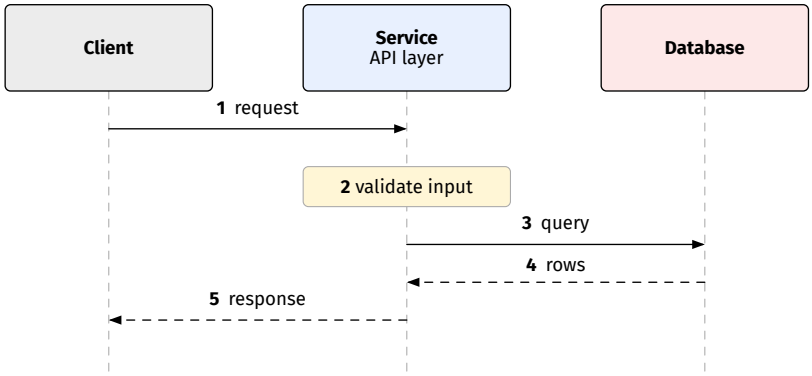

Figure 1 – Placeholder request sequence between a client, a service and its database. Solid arrows are requests, dashed arrows responses; the numbers give the order of the steps.

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut postea variari voluptas distinguique possit, augeri amplificarique non possit. At etiam Athenis, ut e patre audiebam facete et urbane Stoicos irridente, statua est in quo a nobis philosophia defensa et.

Related Work

Position the thesis among existing work. Group the literature by theme rather than listing papers one by one, and end every section with the gap this thesis fills. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut.

3.1 First Line of Research

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut postea variari voluptas distinguique possit, augeri amplificarique non possit. At etiam Athenis, ut e patre audiebam facete et urbane Stoicos irridente, statua est in quo a nobis philosophia defensa et collaudata est, cum id, quod maxime placeat, facere possimus, omnis. [1]

3.2 Second Line of Research

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut postea variari voluptas distinguique possit, augeri amplificarique non possit. At etiam Athenis, ut e patre audiebam facete et urbane Stoicos irridente, statua est in quo a nobis

philosophia defensa et collaudata est, cum id, quod maxime placeat, facere possimus, omnis. [2]

3.3 Research Gap

Summarize what none of the existing work does, which is what the research questions in Section 1.2 address. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut.

4

Methodology

Describe how the research questions are answered: the study design, the setup, what is measured and how it is analysed. Another person should be able to repeat the work from this chapter. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut.

4.1 Approach

Figure 2 gives an overview of the procedure.

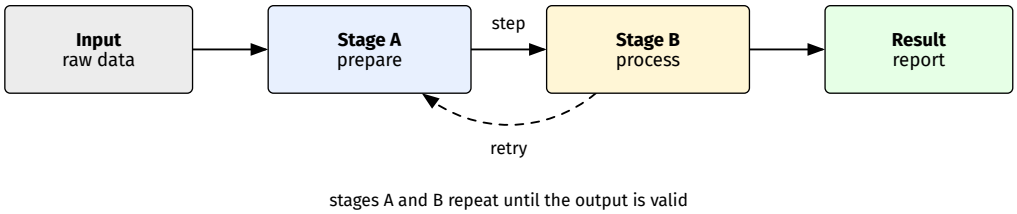

Figure 2 – Placeholder pipeline from input to result. The first sentence of a caption is what appears in the List of Figures, so make it a short title; the rest can explain how to read the diagram.

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut postea variari voluptas distinguique possit, augeri amplificarique non possit. At etiam Athenis, ut e patre audiebam facete et urbane Stoicos irridente, statua est in quo a nobis philosophia defensa et.

4.2 Metrics

Define every metric formally. Equations are numbered and can be referenced like figures, as in Equation 1.

$$\eta = \frac{W}{E} \quad \text{with} \quad E = \int_{t_0}^{t_1} P(t)\,\mathrm{d}t \tag{1}$$

where W is the work done, E the energy consumed and $P(t)$ the power drawn between t_0 and t_1. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut.

4.3 Threats to Validity

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut postea variari voluptas distinguique possit, augeri amplificarique non possit. At etiam Athenis, ut e patre audiebam facete et urbane Stoicos.

5

Implementation

Document what was built, focusing on the decisions that matter for the results rather than on the code itself. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut.

5.1 Architecture

Figure 3 shows the overall structure.

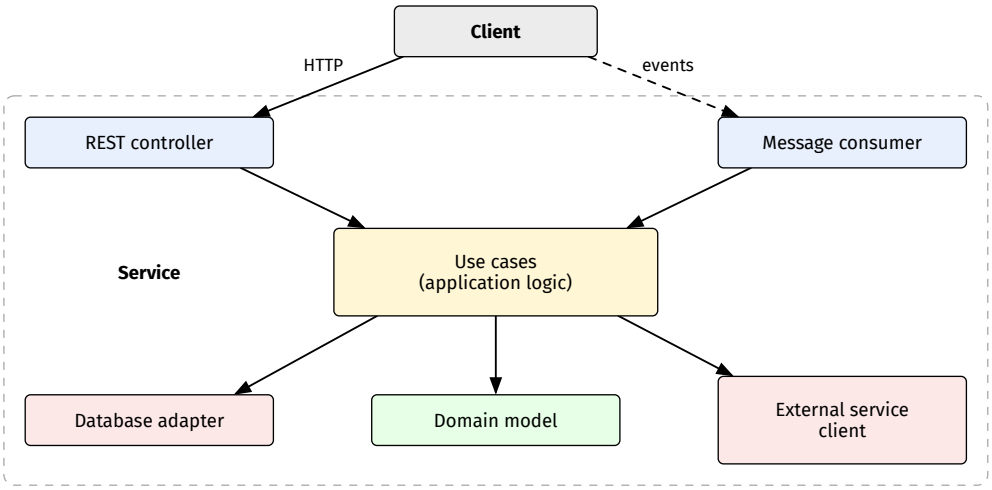

Figure 3 – Placeholder layered architecture. Blue boxes are ingoing interfaces, yellow the application logic, green the domain model and red the infrastructure; the dashed frame groups the parts deployed together.

Concept	Variant A	Variant B
Module boundary	Package per module	Crate per module
Ingoing adapter	REST controller	HTTP router
Outgoing adapter	Repository	SQL mapper

Quod idem licet transferre in voluptatem, ut postea variari voluptas distinguique possit, augeri amplificarique non possit. At.

Table 1 maps the concepts onto the concrete technologies. Wrap tables in `tbl` from `content/helpers.typ`, which switches off the justified body spacing inside cells.

5.2 Code Listings

Code is kept in `/code` and included with `lst`, which takes the path, the language and a caption. Listing 1 shows an example.

Short inline code is written in backticks, e.g. `word_count`. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri

// include them with `lst(path, lang)[caption]` from content/helpers.typ.
use std::collections::HashMap;

fn word_count(text: &str) -> HashMap<&str, usize> {
    let mut counts = HashMap::new();
    for word in text.split_whitespace() {
        *counts.entry(word).or_insert(0) += 1;
    }

}

}
```

Listing 1 – Placeholder code listing

tamen permagna accessio potest, si aliquod aeternum et infinitum impendere malum nobis opinemur. Quod idem licet transferre in voluptatem, ut.

6

Evaluation

Present the results without interpreting them yet; interpretation belongs in Chapter 7. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo, cum corpore dolemus, fieri tamen permagna accessio potest, si aliquod aeternum et infinitum impendere.

6.1 First Scenario

Plots are exported as SVG (vector graphics stay sharp at any zoom) into `figures/results/` and included with `image`, as in Figure 4.

Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magnam aliquam quaerat voluptatem. Ut enim aeque doleamus animo,
